

Clover B28

Sensor-operated contactless bottled water cooler

Suitable for nineteen litre bottled water, the B28 is perfect for environments where plumbed-in Waterlogic solutions aren't viable. The sensor-operated contactless dispense, combined with a UV-protected tank makes this a safe and practical hydration solution.

- Contactless and button dispense
- UVC protection with in-tank UV
- Double layer hygiene dispense nozzle
- Nineteen litre bottle capacity
- Ideal for busy kitchens and breakout areas

Technical specifications

Weight	19kg
