

# DCM-270BAH

The most popular ice and water dispenser for the workplace

*Shown with optional SD-270 Stand*

## One convenient system for ice and water dispensing

The DCM-270BAH is a sanitary and durable commercial grade system for ice and filtered water dispensing. Featuring Chewblet® ice machine technology, it is a popular choice among many workplaces to help satisfy their hydration needs.

## Advanced technology

The DCM-270BAH features three core technologies:

### **Chewblet® ice-producing system**

This model produces up to 282 lbs of consumer-preferred Chewblet® ice nuggets per day, and has 10 lbs of ice storage.

### **Advanced CleanCycle24™**

An Advanced CleanCycle24™ design activates a flushing and cleaning of the reservoir and evaporator every 24 hours for hygiene.

### **H-GUARD Plus antimicrobial protection**

The dispenser is protected by H-GUARD Plus antimicrobial agent which prevents bacterial, fungi, and microbial growth.

## Convenient and reliable dispenser

With an attractive design, the DCM-270BAH gives the workplace the convenience of dispensing ice and water from one single system. Peace of mind is guaranteed as this unit comes with sanitary dispensing capabilities and many other features to benefit any work space.

## Features

Compact air-cooled ice machine with up to 282 pounds of daily production of popular Chewblet® ice: soft, chewable, compressed nuggets of ice, rated as the most popular ice for drinks, as it cools the beverage quickly and absorbs the flavor making an easy-to-chew treat

Self contained design reduces opportunities for cross-contamination

Corrosion resistant, durable stainless steel exterior ensures a prolonged product lifespan

A 2-second flush cycle performed every hour effectively removes any sediments for cleaner ice

Optional heavy duty stand\* (SD-270) with reversible locking door, converts the dispenser in a floor-standing model

Stainless steel dispensing area and clean design facilitate regular and professional cleaning

Easy to remove and clean lateral air filter

*\*four legs included*

## Water options

cold   sparkling   ambient   hot   extra hot   ice

## Number of users

 Up to 50

## Tested and certified
